**ALAKA'I
MECHANICAL
CORPORATION**

WHO WE ARE:

We're **Alaka'i Mechanical Corporation** (AMC), one of Hawaii's top mechanical contractors. We've been in business for over 30 years, and we've earned a reputation for going above and beyond. We specialize in Heating, Ventilation and Air Conditioning (HVAC) systems, Plumbing systems, Sheet Metal and Duct Fabrication, as well as major design-build projects. We take what we do for our clients personally, and we're looking for talented individuals to join our team as HVAC and Plumbing Technicians.

We at AMC strive to provide first-rate service to our customers, no matter where, no matter when, and no matter how complicated the job. To accomplish this, we have to be selective in who we hire. If you are highly motivated, pay great attention to detail, are able to work effectively in a team, and possess a can-do attitude, **this is the place for you**. If you walk in the door with these qualities, we'll do everything we can to train and equip you to become among the very best HVAC and Plumbing Technicians in Hawai'i, including helping you join the Union.

OUR TRAINING COMMITMENT:

AMC makes sure that our technicians receive the most effective training in using **state-of-the-art** hardware and software. Training is scheduled by AMC in-house, Local 675 Plumbers and Pipefitters Union, as well as with trusted vendors with a view to making AMC Hawaii's HVAC and Plumbing leader.

AMC offers **technical training** in the following areas:

- Basic & Advanced Electrical Components
- Basic & Advanced Controls
- Basic & Advanced Troubleshooting
- Basic & Advanced Refrigeration
- Basic & Advanced HVAC Design-Build
- Basic & Advanced Electronics
- Chiller Fundamentals and Overhauls for Various Air and Water-Cooled Chillers
- Energy Management Systems (EMS)
- Basic and Advanced Contract Print Reading
- Backflow Preventer Testing and Repair
- The Latest in Sewer Line Inspection Technology
- Various Pump Systems
- Customer Service
- HVAC & Plumbing Repair Estimation
- Sales

THE BENEFITS OF BEING AN ALAKA'I AIR CONDITIONING OR PLUMBING TECHNICIAN:

AMC is a **locally operated** company and is a member of the Taisei Oncho group, a large, well-respected mechanical engineering contractor in the Asia-Pacific region. Customers benefit from our special local feel, while having access to our broad network of partners and vendors.

AMC is **progressive and proactive**. Become part of a dynamic and nurturing environment, where you will receive comprehensive training, support and advice from colleagues and supervisors alike. At AMC, you're never stuck on a job alone—**we're right there with you**.

AMC takes **pride** in providing our customers with cutting-edge hardware and software. We have the resources to equip our technicians with some of the **best equipment** in the business, from new vehicles to get you to the job site, to notebook computers and specialized tools so you can get the job done right.
